EOI Submission:

The EOI may be submitted to the above address

The Expression of Interest (EOI) shall be submitted **in person only** at the **KSSM-SID Office**. EOIs submitted through any other mode will be **summarily rejected without further notice**. At the time of submission, the **Technical Bid** and **Financial Bid** shall be enclosed in **two separate sealed envelopes**, both of which shall be placed inside **one outer sealed envelope** clearly superscribed "*Expression of Interest (EOI) – Print /Outdoor Creations - Designing, Creation, Installation and Presentation for Savishesha – The Carnival of the Different Creative Festival for Persons with Disabilities]*". Any EOI not complying with the above submission procedure shall be liable to rejection.

3. Introduction

The Department of Social Justice, Government of Kerala, is organizing **Savishesha – Disability Fest (Savishesha: Carnival of the Different)** at Thiruvananthapuram on **19th, 20th and 21st January 2026**. The festival aims to encourage and showcase the abilities, creativity, and talents of persons with disabilities to the general public.

The main objectives of the festival are:

- To provide a public platform for artistic, sports, and cultural talents of persons with disabilities.
- To facilitate exhibition and marketing of products created by persons with disabilities.
- To promote the concept of an inclusive and disability-friendly society.

Through this Expression of Interest (EOI), SID seeks to identify competent and experienced agencies for planning and implementing the exhibition stall arrangements as part of the Savishesha Fest. A key responsibility of the selected agency will be to design, customize, and present effective strategies to widely communicate the message of the programme to the public.

Scope of Work – Exhibition Committee

The selected agency / Exhibition Committee shall be responsible for

the end-to-end planning, execution, and management of the exhibition, including but not limited to the following:

- Conceptualization and thematic planning of the exhibition in alignment with Savishesha - Disability Fest objectives
- Exhibition layout planning covering all layers and stall categories
- Designing, customization, fabrication, installation, and dismantling of exhibition stalls
- Ensuring inclusive, barrier-free, and universally accessible exhibition infrastructure.
- A hand-drawn sketch of the proposed exhibition area is annexed to this EOI and is intended only for conceptual understanding and idea development and shall not be treated as a final or binding layout.
- The execution plan for the identified stalls and activities shall be finalized based on a detailed and proper layout sketch, ensuring optimal utilization of the entire exhibition area for effective implementation of activities. The exhibition area shall be entrusted to the agency selected through the EOI for this purpose.

Layer 1 - Activity Area (Approximate - 120*40 - 4800 sqft)

- Design and execution of interactive activities and experiential zones
- Setting up of a Sensitivity Area / Blue Room as an interior experiential space to influence emotional, behavioural, and cognitive responses
- Integration of sensory elements such as colour, lighting, sound, texture, and spatial design to address physiological and psychological sensitivity
- Setting up of a Dark Room to demonstrate challenges faced by persons with visual impairments and to promote empathy and awareness
- Demonstration of barrier-free assistive devices, including calipers and mobility aids, highlighting accessibility and usability
- Stalls and activity zones showcasing the life-cycle approach in identification, prevention, and management of disabilities
- Live demonstrations, guided explanations, and interactive sessions for the public

Layer 2 -Exhibition Area 1 (Approximate - 110*40 - 4400 sqft)

- Planning and setup of stalls for agencies under the Department of Social Justice
- Exhibition spaces for startups manufacturing disability aids and assistive technologies
- Arrangement of book stalls and knowledge dissemination units

Layer 3 - Exhibition Area 2 (Approximate - 120*40 - 4800 sqft)

- Design and setup of stalls showcasing crafts, artworks, paintings, food products, and technology-based innovations
- Facilitation of product display, marketing, and public interaction
- Electrical, lighting, audio-visual, and display arrangements for all stalls
- Branding, signage, stall identification, way-finding, and visitor flow management
- On-site coordination with exhibitors, departments, vendors, and volunteers
- Ensuring safety measures, statutory permissions, and regulatory compliance
- Real-time monitoring and issue resolution during exhibition days
- Documentation through photographs, videos, and layout plans
- Post-exhibition reporting, feedback compilation, and submission of completion report
- Any additional activities required for the seamless execution of the exhibition.
- The exhibition is divided into two distinct components: an **Activity Area** and an **Exhibition Area**, together covering approximately **14,000 sq. ft.**, with provision for **around 100 stalls**. The scope of work includes stall construction and customization, creation of exhibition and activity area walls, thematic decoration, installation of the main exhibition gate, and all other associated works required for effective execution. Detailed requirements shall be presented by the bidders at the time of presentation through a clear sketch, layout plan, and activity framework. Any additional

customizations and essential arrangements required for functionality and visual coherence shall be finalized based on post-presentation discussions and meetings.

Eligibility Criteria

- Agencies submitting the Expression of Interest (EOI) shall possess the following qualifications:
- The agency must be empanelled with the Kerala State Public Relations Department (PRD).
